Welcome to Palazzo at Panama City Beach!! We are so glad that you have chosen to stay at our wonderful home to enjoy your vacation time with family and friends. Relax, have fun, and make some great memories!!

To help with your stay here are a few items for your review:

- Wrist bands are required for use of the pool, hot tub, and exercise room on the lobby floor. You will find them in a bowl in the kitchen. Please return them to the bowl before you leave. There will be a \$10 dollar charge for any missing wrist bands.
- A trash/waste room is directly across our condo. All garbage must be bagged before getting sent down the garbage chute.
- Each stay in season (March 6st – October 15st) includes complimentary 2 cushioned chaise lounge chairs with 1 umbrella. You will find the beach hut in front of the steps to reserve your set.
- When the Air Conditioning is running please do not leave the patio doors open. The AC will freeze up and that will require a maintenance visit to fix it.

Things to do before you leave:

- If you had to use the beach towels during your stay, please wash and dry them the night before you leave and put them back in the area that you found them.
- If you used any of beach items we left for your use in the pantry (coolers, umbrella, beach chairs, boogie boards, sandcastle toys) please clean them up and return them to the pantry so our next guests can enjoy using them as you did.
- Run the dishwasher if it contains dirty dishes the morning you check out.
- Remove used linens from sleeper sofa (if used).
- Empty refrigerator and pantry food items you purchased, discard food and take the trash out (trash chutes are available on each floor)
- Please place all TV remotes next to the TV.
- Please make sure to lock the door and both sliding glass windows are closed.
- Double check all draws to make sure that you have not left anything behind
- Wash all used towels before you leave (you can leave it in the dryer).
- Remember to return all the wrist bands you have used back to the area in the kitchen.
